GERMAN GUNS BATTER ANZIO BEACHHEAD

Reds Mopping Up Nazis Trapped in Ukraine

POSITIONS OF ALLIES ARE CONSOLIDATED

Southern Italy One Theatre In All World Where Enemy Holds a Measure of the Initiative

LONDON DISAPPOINTED

By RICHARD McMURRAY
Associated Press War Editor
German artillery and planes laid down an intense barrage today in the 100 square miles of beachhead below Rome where Allied troops further "consolidated their position" against heavier attacks to come.

Violent fighting continued inside Cassino and the nearby mountains, but the Americans still were unable to break the enemy's steel grip on that gateway to the Liri valley leading to Rome. The Germans held three-fourths of the city and a corridor leading to the rear, though 500 had been taken prisoner since January 26.

No major action was reported in the Rome area where the Germans continued to mass reinforcements for a major attempt to throw the Allies into the sea. The Nazis live-bombed an American hospital a mile behind the lines, killing 10 nurses and 24 others. Allied fighters destroyed 24 German planes in breaking up attacks, and lost five.

The campaign below Rome, which had started as a brilliant success, had deteriorated into a serious defensive action. It was the theater in all the world where the enemy held at least a measure of the initiative.

London newspapers expressed disappointment over the Italian campaign, suggesting the Allies had been over-cautious in pushing the Rome beachhead inland to cut the Apennine and Casilina Ways—major German communications to the central battlefields.

Washington was reported uneasy but not alarmed. A British official there said the Allies appeared to be losing some of the initiative. He added that there has been some disappointment in our failure to cut the two main roads below Rome.

Bad weather, which had increased Allied difficulties in the Rome area by grounding much of the air power, seemed to be clearing. Many patrols were flown over the beachhead, and bombers pounced on German communications hubs.

On the Anzio Beachhead, Feb. 7 (Delayed)—A German plane bombed an American evacuation hospital at 3:30 p. m. today, killing 26 and wounding 43 persons, among them a number of American nurses.

The killed included two women nurses, four doctors, four wounded soldiers who had just been carried from the front, and 16 enlisted men attached to the hospital.

Among the 43 wounded were seven women nurses, three of whom were in grave condition last night. The War Department in Washington said today the women killed in the attack on the evacuation hospital were first American nurses to lose their lives through direct enemy action in this war.

Sales of "E" Bonds Slump Below Quota

Pittsburgh, Feb. 8.—(P)—The Fort Pitt Area's fourth war loan drive went over the top generally yesterday, but sales of "E" bonds slumped far below the daily quota, war finance committee headquarters report today.

The day's sales of all bonds, "E" series included, were \$16,000,000 in the 19-county area, almost \$3,000,000 over the daily quota. "E" bond sales were only \$1,600,000, just half the daily quota.

Manufacturing Center Target Of Fortresses

American Flying Squadron Makes Furious Attack On Frankfurt

THREE PREVIOUS RAIDS

By W. W. HERCHER
London, Feb. 8.—(P)—American Flying Fortresses in force thundered bombs on Frankfurt again today and the fury of their attack left no doubt that the obliteration of another great German manufacturing center was well begun.

While the Fortresses made their 400-mile penetration of Germany under the protection of long-range fighters, an independent force of Liberators droned across the channel to join swift flights of American Marauders and British Thunderbolts and Hurricanes in a concentrated pounding of targets in northern France.

Frankfurt, a city of half a million near the junction of the Main and the Rhine rivers, already had been severely damaged by three heavy RAF attacks when well over 800 American bombers struck with 1,500 tons of explosives last Jan. 29.

The daylight air offensive came after the RAF's swift Mosquitos bombed unspecified objectives in Western Germany last night for the 6th time in seven nights.

In addition to bombing western Germany, the RAF night raiders attacked enemy airfields in northern France, an air ministry communiqué said. The overnight operations were carried out without loss.

THREE LOSE LIVES IN FIRE AT HOMESTEAD

Pittsburgh, Feb. 8.—(P)—Two persons were missing and one child was killed today as flames swept a two-story frame house in suburban Homestead.

The coroner's office reported the body of Phoebe Wilson, 7, was found in the ruins. Unaccounted for were her brother, James, 11, and their uncle, Roland Pressley, 22, all negroes.

The children's mother, her other son, Thomas, 13, and her sister, Lula May Pressley, 19, were treated in Homestead hospital for injuries received when they leaped from a second-floor window.

HAS 21ST CHILD

Allentown, Feb. 8.—(P)—Mrs. Edwin Trapp, 45, gave birth to her 21st child, a boy, Saturday.

Amendment Made To War Ballot Act

Washington, Feb. 8.—(P)—The senate today beat down for a second time a move by southern "states' rights" Democrats and some Republicans to scrap the administration's federal war ballot plan and give state ballots precedence in all armed service voting.

Washington, Feb. 8.—(P)—The administration further amended its federal war ballot bill today to make it possible for servicemen and women overseas to cast absentee ballots in this year's elections if state ballot forms are available.

JAPS SILENT ABOUT DEFEAT AT KWAJALEIN

Comparison of Casualty Figures Shows Thoroughness of American Victory on Island

ENEMY LOSSES 8,122

By MORRIS LANDSBERG
Associated Press War Editor
The Japanese homeland remained in the dark today on the stunning Nipponese defeat in the swift American capture of Kwajalein in the Marshall Islands.

Just how complete was the U. S. Victory was indicated in casualty figures given out at Pearl Harbor by Admiral Chester W. Nimitz. They showed:

Japanese dead: 8,122.
American dead: 286.
The Tokyo radio, in an 8 a. m. domestic broadcast, told its listeners that "bitter fighting" continued in the Marshalls.

Commander Anthony Kimmins of the British Royal Navy, the first military observer to return from the Marshalls, declared at Pearl Harbor that the Kwajalein campaign, which started Jan. 31, was the most perfectly executed action he had seen.

Why Japanese casualties ran so high was suggested by Associated Press War Correspondent William L. Worden in a description of the pulverizing American bombardment of the coral target now being converted into a U. S. air and naval base in the heart of the enemy's central Pacific defense line.

The Kwajalein drive cost the U. S. Marine and army forces amazingly fewer casualties than for the successful Gilberts campaign in which 1,092 were killed and 2,680 wounded. The Japanese lost nearly 40,000 men during the November, 1943 fighting.

American wounded on Kwajalein totaled 1,148, and 82 men were listed as missing. No completion on Japanese wounded was available, but 264 enemy troops were taken prisoner.

Washington inclined to the belief that the Feb. 4 sea bombardment of Paramushiro island, Japan's big base in the north Pacific, was intended to distract and confuse the enemy, and was not in itself preliminary to invasion. Yesterday's disclosure of the attack was followed by a Vichy radio announcement that U. S. forces had landed in the Kuriles chain.

Allied bombers ranged far over the southwest Pacific in raids on Japanese positions.

Loss of Two Submarines Listed By Navy

Washington, Feb. 8.—(P)—Loss of two American submarines, the Cisco and the S-44, was announced today by the Navy.

The submarines both presumably were operating in Pacific waters where American submarines have been taking a heavy toll of Japanese shipping.

Their losses bring to 19 the number of American undersea craft lost since the war started. Against those losses our submarines have sunk, probably sunk or damaged 572 Japanese vessels, including warships.

The Navy gave no details in announcing the loss of the 18-year-old S-44 and the big new Cisco, which was commissioned only last May.

Commander James W. Coe, Richmond, Ind., skipper of the Cisco, was listed as missing in action.

WANT MORE MINERS TO OPERATE ON SUNDAYS

Philadelphia, Feb. 8.—(P)—The regional OPA office wants anthracite mines which fail to operate on Sundays to be barred from receiving any part of a new 45-cent a ton ceiling price increase. A recommendation to that effect was sent to the national OPA office yesterday.

Regional officials said they were disappointed that only 64 per cent of the 80,000 anthracite miners heeded Secretary Ickes' request for full Sunday production this month to relieve the hard coal shortage.

"Thrill Bandits" Are Arrested In Theatre

Philadelphia, Feb. 8.—(P)—The movie "Guadalcanal Diary" ended in a South Side neighborhood theatre late yesterday, the lights went up, the audience arose to leave—and four detectives jabbed guns into the ribs of two shoddily-dressed patrons in the rear seat.

Thus ended three days of freedom for a Philadelphia "thrill bandit" and fellow prisoner at Rockview Penitentiary near Bellefonte, who escaped last Saturday while members of an "honor gang" were chopping trees in a nearby forest.

Organization And Davis May Get Together

State Republicans Report Ready To Make Peace With Senator

SENTIMENT FAVORABLE

Harrisburg, Feb. 8.—(P)—The Pennsylvania Republican Organization was reported ready today at Governor Martin's request to make peace with U. S. Senator James J. Davis and thus give him a clear field for renomination.

A Senator Davis, who was not available immediately for comment, and the organization have been at odds since 1930 when Davis defeated Joseph R. Grundy, Bristol manufacturer, for the senatorial nomination.

Sentiment for Davis followed a week-end conference of GOP leaders in Philadelphia where Martin reportedly told the conferees "any choice for the senate candidate post must be made for the good of the party—that no man in the organization was bigger than the party."

Previously Attorney General James H. Duff and Banker William B. McFall, both of Pittsburgh, declined to run.

A ticket headed by Congressman Francis J. Myers, of Philadelphia, for the U. S. senate has Democratic state committee endorsement.

J. Warren Mickle, secretary of the Democratic state committee, said nominating petitions to place President Roosevelt's name on the ballot in the April primary will be circulated in every county in Pennsylvania.

ESSENTIAL WORKER IS LET OFF WITH A FINE

Philadelphia, Feb. 8.—(P)—John Triskey, a war worker, escaped a jail sentence because he is "absolutely essential" in his job.

Triskey, 36, pleaded guilty before U. S. District Judge George A. Welsh to a charge of stealing a navy-owned trailer to transport his wife and three children from Coatesville, Pa., to Oil City, Pa., where he is a pipe fitter on a plant construction project.

Judge Welsh, after reading a letter from the contractor declaring Triskey's services were vital, said "I was going to send you to jail for six months but it will take cognizance of your services to the war effort. I suspend the sentence and fine you \$250."

Sales of "E" Bonds Below Goal Set for This County

The Warren County War Finance Committee is hopeful that the letter recently dispatched to all workers in the Fourth War Loan will spur them on to a last-minute rally. While Warren's total showing is good in the drive to date, the sales of "E" Bonds are far below the goal. Warren county has an "E" Bond quota of \$805,000.00, and of this amount only \$273,000.00 has been credited so far.

A breakdown shows that it has taken over 9,000 individual sales to produce this dollar volume in "E" Bonds.

During the Third War Loan, there were nearly 15,000 individual sales in the county, leaving 6,000 sales still to be made before February 15. If Warren's record in the Third Loan is to be equalled, better than 650 workers have received the bulletin from headquarters urging them to see all their prospects promptly.

R. B. Leonard, district leader for Kinzua and Corydon, was in Warren yesterday and reports that, while Corydon has reached the quota of Bond sales set for it, Kinzua has only about half the sales they anticipate. He expressed confidence, however, that before the curtain rings down next week, Kinzua would repeat the splendid showing it has made in previous drives and go over the top.

REVENUE BILL ABOUT READY TO BE SIGNED

President Must Approve Measure Unless He Is Willing To Lose Over \$87,000,000

PASSED BY CONGRESS

By FRANCIS J. KELLY
Washington, Feb. 8.—(P)—Time, the constitution and a three-line clause in the \$2,315,200,000 tax bill combined today to make it impossible for President Roosevelt to allow the measure to become law without his signature unless he is willing to lose more than \$87,000,000 in potential revenue.

The measure, which Mr. Roosevelt criticized recently as unrealistic and which blocks a social security payroll tax increase which he thinks should take effect, can not actually reach the White House before Wednesday, according to enrolling clerks, although it received final congressional approval yesterday. If Mr. Roosevelt then decides to allow it to become law without signing it, it would take effect under the constitution 10 days later (Sundays excepted), or Feb. 21.

Without waiting to see what would happen to this legislation, congress turned to the job of attempting to simplify the present income tax structure, the complexities of which have brought anguished cries from all parts of the country. Chairman Doughton (D-NC) said his house ways and means committee would begin a study of the matter immediately.

It was generally expected that Mr. Roosevelt would reiterate his views in a message to congress, no matter what his decision on signing or vetoing it.

PATIENT INDICED

Greensburg, Feb. 8.—(P)—Harry Brown, 30, of Connellsville, a patient at Torrance State Hospital, today was indicted by the grand jury on a charge of murder in the death of George Diehl, 40, of Trafford, also a patient, who died January 29.

Escaped Nazi Prisoner Taken In Alabama

Montgomery, Ala., Feb. 8.—(P)—An escaped German prisoner of war, clad in part of a Nazi army uniform, was recaptured in the state capital here yesterday, a Federal Bureau of Investigation agent reported, after he walked into the capitol and asked for the "Spanish ambassador's office."

D. K. Brown, special agent in charge of the FBI office at Birmingham, identified the German as Sgt. Maor Hans Peter Fuhrmann of the Afrika Korps, and said he was originally captured on Hill 606 in the Tunisian campaign.

His inquiry about the Spanish envoy aroused the suspicion of state employees, Brown said, and they detained him while police and FBI agents were called.

Brown said Fuhrmann wore a "portion of a German uniform and spoke good English, although with an accent." He said the German escaped from a prisoner of war camp near Opelika, Ala., Saturday night.

Notice Served On Finland By Russia

Moscow, Feb. 8.—(P)—The Russians have served notice on Finland that the bombing of Helsinki Sunday night is only a prelude to what is to come.

"The hour of retribution is coming," declared an editorial in the government organ, Izvestia. "Soon the Finns will regret that the war is continuing. But if they don't regret now, they will regret doubly tomorrow."

Meanwhile, reorganization of the 16 Soviet republics continued with announcement of the appointment of P. K. Ponomarenko as chairman of the Council of People's Commissars of White Russia and I. S. Bylinsky as vice chairman. No commissar for foreign affairs was named immediately.

Minsk, still in German hands, was the former capital of White Russia, but the announcement came from liberated Gomel, indicating it would be the new provisional White Russian capital.

Resignation of Fire Chief Is Received and Accepted At February Meeting of Council

At the regular meeting of the Town Council held last evening in the City Building the resignation of Douglas G. Kropf as chief of the Warren Fire Department was read and accepted. In a letter presented to the council, Mr. Kropf stated that, due to his health and other interests, he was presenting his resignation, effective March 1, 1944. In his letter of resignation he further stated that he desired to extend his thanks to the councilmen for their courtesy to him during his ten years of service here and that at all times he would give freely of his time in an advisory capacity.

Able Official Quits

On motion, the resignation was accepted with regrets.

Reports of the finance committee were presented and showed that in the general fund, permanent street fund and storm sewers there was at present \$94,274.66; sinking fund, \$29,756.61, and park fund \$728.50. Total bills reported were \$14,458.26 were presented and were ordered paid when properly O. K'd.

In a resolution presented by Mr. Krebs, chairman of the finance committee the budget for the coming year was presented.

In another resolution the tax rate for the present year was set with a 2.4 mills levy for interest and sinking fund and 13.6 mills for the general fund. Thus a total levy of 16 mills is made which is the same as for the past year.

The commission for the tax collector was set at one-half of one per cent to January 1st, 1945 and 4 per cent thereafter.

On the proposition of purchasing the property of the Wilburine for the purpose of building a recreational field Mr. Krebs reported that he had conferred with the County Commissioners and found that the status of the property was unchanged. It has been optioned to a large manufacturing concern and as yet they have not definitely decided not to locate here.

Relative to the membership of the Town Council on the Council of Community Agencies being formed here it was recommended that no membership be taken by the town council.

Mr. Krebs further reported that he with Messrs DeFrees and Truster had been in conference with a professional booster for a proposed recreational program for this city and had discovered that the Borough was expected to finance (Turn to Page Five)

Fine Talk Very Much Enjoyed By Civic Club

About 175 members of the North Warren Civic Club assembled in the community building at that place last evening to enjoy their annual banquet and to be entertained by the personal observations and predictions of S. Miles Bouton, former foreign war correspondent and syndicate columnist. Continued close observation and association with a world at war made his address doubly interesting and thought-provoking.

Opening the program, stage curtains were drawn to show three Boy Scouts bearing and guarding the American flag and all joined in singing "The Star-Spangled Banner." Toastmaster Milton Peterson presented Rev. J. H. Cruickshank for the invocation and Boyd Sanden kept the assembly in a singing mood. Dinner music was provided by an orchestra directed by Georgia Pepke.

Since the Civic Club is sponsor of Troop 13, President Chris Pepke called special attention to the Boy Scout Week observance to be held in conjunction with the regular 11 a. m. service at the church on Sunday.

Gratitude was expressed to the Willing Workers group of women who served the very excellent dinner.

WALLACE CONFIDENT PRESIDENT WILL RUN

San Francisco, Feb. 8.—(P)—Vice President Henry A. Wallace is confident President Roosevelt will run for a fourth term but he said he did not know if he would be Mr. Roosevelt's running mate again.

Wallace's reference to the 1944 presidential campaign was made at a press conference at which he said:

"Mr. Roosevelt will, in the future, God willing, give the new deal a firmer foundation than it has ever had before."

SITUATION OF 15 DIVISIONS IS DESPERATE

Soviets Cut Down Thousands of Axis Troops and Narrow Circles of Death Around Enemy Forces

CHERKASY POCKET CUT

BULLETIN
London, Feb. 8.—(P)—The Red army has liquidated the German bridgehead at Nikopol, manganese center in the Dnieper bend, Moscow announced tonight. The Nikopol bridgehead was the last place held by the Germans on the east bank of the Dnieper.

By EDDIE GILMORE

Moscow, Feb. 8.—(AP)—The situation confronting 15 German divisions trapped in the Dnieper bend grew steadily more desperate today as the Red army cut down thousands of Axis troops and narrowed the circles of death around the enemy forces at Nikopol and Cherkasy.

At the same time Russian and German troops fought without quarter in the outskirts of the rich manganese center of Nikopol in which the Red army penetrated yesterday. As the bewildered Germans fell back before the ferocity of the Soviet onslaught, other troops of Gen. Rodion Y. Malinovsky's third Ukrainian army came to grips with the remnants of five fast-tiring divisions effectively trapped in the Dnieper marshlands outside the city.

One hundred miles north of Nikopol the first and second Ukrainian armies under Gen. Nikolai Vatutin and Ivan S. Konev reduced the Nazi-held Cherkasy pocket to approximately 40 square miles by capturing five fortified towns within its outer fringe. The Russians planted their artillery within shelling range of German airfields, which heretofore had offered the sole means of escape to survivors of the 100,000 troops originally penned in this Russian death trap.

On the northern end of the 1200-mile-long front troops of Gen. M. M. Popov's second Baltic army captured 80 settlements north and northwest of Novosokolniki, a Russian commune said, and posed an immediate threat to the German-held Pskov-Warsaw trunk railway.

As the battles in the Dnieper bend roared to a climax the Russians were on the verge of reconquering one of the most important military prizes still in German hands. This was the Nikopol-Krivoi Rog area, whose mines furnish the greater part of the manganese so vitally needed for Germany's war machine. Its loss would be a staggering blow to the Reich's steel industry.

On the northern end of the long front, Gen. Leonid A. Govorov's Leningrad army was hammering further into Estonia and dislodging the Germans from their positions east of Lake Peipus.

New Warning Is Sent to Finland

Washington, Feb. 8.—(P)—Secretary Hull disclosed today that the United States had recently renewed its warning to the government of Finland to get out of the war or accept the consequences of continuing to fight on the side of Germany.

The action was the first taken by this government with respect to Finland for some time and suggested that the Finns might be under an Allied diplomatic as well as military offensive to force them out of the war.

The secretary of state was asked at a press conference for information on Stockholm reports that there had recently been an exchange of communications between the U. S. and Finland on the Finnish position.

BURNS PROVE FATAL

New Georgia Battlefield For Local Youth

A special dispatch, datelined only "South Pacific" and passed by the army examiner, reports that Carl J. Castagnino, of Warren, now at an advanced base with his unit, Company E, 172nd infantry regiment of New England's 43rd Division, has recently been raised in army grade from private first class to corporal in his job as squad leader in a light machine gun section.

Cpl. Castagnino was inducted into the army in April of 1942 and, during his 16 months overseas, has seen action against the Japanese on several of the strategic islands in the Pacific's New Georgia group, a battle acknowledged to have been fought under more extreme conditions than the one for Guadalcanal in the central Solomons. The capture of the New Georgia islands has led to assaults on islands farther forward, such as Bougainville in the northern Solomons group.

Prior to induction Cpl. Castagnino lived at 1516 Pennsylvania avenue, where his sister now resides.

Ministers Have Luncheon For Wives Monday

Ministers of Warren county entertained their wives at a one o'clock luncheon Monday at the Hotel Carver, with an attendance of 45 persons. Dr. H. H. Barr acted as toastmaster for a very pleasing program and Rev. Beecher M. Rutledge read the Scripture.

Program numbers included two piano selections by Rev. Philip Schlick, of Russell; amusing anecdotes recited by Revs. O. C. Mingledorff, Wayne Furman, Harold Knappenberger and H. C. Warren; musical saw selections, Rev. C. M. McIntyre, Youngsville; numbers by a quartet consisting of Rev. Ivan E. Russell, R. H. Eggleston, McIntyre and Eugene Donelson.

Following the program, President J. C. Wygant conducted a brief business session, in which plans were reported complete for the union Lenten services to begin in Grace Methodist church February 27 and continue through March 5. The guest speaker will be Rev. John Paul, of Wilmore, Ky.

Homage Paid To Ike Reed At Fine Dinner

There was an attendance of 90 for the dinner-meeting held last evening by the Men's Bible Class of First Methodist church to open the local observance of Boy Scout Week and to especially honor I. A. Reed, troop committeeman for Boy Scout Troop 9 for 29 years, believed a council record for service with one troop. The troop membership now numbers 35 boys and stress was placed throughout on the value to both man and boys of constant association and interest.

C. A. Babcock, troop committee head, was general chairman for the event, with Steve Tritt and his committee providing a fine dinner to open the festivities. Pastor Wayne Furman gave the invocation and Charles Swanson, senior patrol leader, conducted the color ceremony. William Hill led group singing which followed "putting on the nosebag".

Morris Archer, president of the men's group, extended the welcome and explained the purpose of the gathering. Speaking in appreciation of Mr. Reed's long service were Homer Bowersox, Byron Knapp, C. J. Cray, early Scoutmasters of Troop 9, who recalled many events of those earlier days;

Sec. Schroyer Replies on New Glade Bridge

State Senator L. E. Chapman, who has made a request that no money be expended on repair patchwork on the Glade bridge damaged by ice some days ago has received a reply from Sec. John Schroyer, of the Department of Highways. Senator Chapman has urged that a new bridge be erected which would do away with the bad grade crossing and the dangerous curves at the present bridge. In a letter to Sec. Schroyer he urged that a full and detailed examination be made of the condition of the bridge and that no action be taken until a full report is available. It is feared other piers may also be weak.

Sec. Schroyer in answering Sen. Chapman states that he has called for a detailed examination of the damaged structure by the Bridge Unit of the Highway engineers and that upon receipt of their report he will get in contact with Sen. Chapman before any action is taken.

The need of a new bridge at Glade is felt by all who traverse Route 6 as the approaches are highly dangerous, especially to strangers and to drivers of big trucks which have difficulty in getting the big "boxcars" around the sharp approach to the south end of the bridge.

Sen. Chapman is also interested in getting a bridge constructed across the Conewago creek at a point above North Warren where it would connect with a road into the State Hospital farms grounds on the east side of the creek. This bridge is an urgent need and would be a great aid to the handling of work on the State Hospital farms to reach which a detour of several miles must be made during the season of the year when it is impossible to operate the ferry used by the institutions.

County Workers Doing Great Job in 4th War Loan Drive

Roughly, nearly two-thirds of Warren county's population is located outside Warren borough, and to set up an organization that will reach all these people in the Fourth War Loan represents a real problem. The success that has been achieved so far in the bond drive is a tribute to A. L. Rasmussen, chairman of the county organization, and to the able district leaders and their loyal workers. To the county represents real effort on the part of many of these workers. Reports coming in from the outlying districts show that these workers are carrying the message of the Fourth War Loan into homes everywhere in the county. Such enthusiasm and patriotic zeal as these modern messengers to Garcia possess cannot be denied. Whatever the final figures in the Fourth War Loan, no small part of the glory must go to these county volunteer workers.

A list of the county workers, by districts, follows:

Certificates For Salem E. V. Scout Leaders

Nine certificates are being prepared today for presentation to the adults who participated in the one-evening training conference covering "The Fundamentals of the Boy Scout Movement" and "Troop Committee Operations" held Thursday evening at the Salem Evangelical church.

The men responded to an invitation to the meeting of Mrs. Francis Kottmar, President of the Lacy School P.T.A. The P.T.A. at their December meeting voted to sponsor a Boy Scout Troop and the meeting Thursday evening was one of the first steps in the development of a committee of men to administer the program.

Thursday evening's program included presentations covering "The Development of the Boy Scout Movement", "Essentials of the Program", "How the Community and Institution Uses the Program", and "Troop Committee Operations". These were given by Wm. P. Taylor and Chester R. Seymour representing the Leadership Training Committee of the Warren County Council, Boy Scouts of America.

The training certificates are being prepared for Roy H. Kerr, Roy Gist, Ralph Sires, W. R. Painter, George Wollaston, Albert E. Ristau, Francis Kottmar, Guy McCloskey and Mrs. Francis Kottmar who participated in the conference.

YOUTH MEETING CRISIS

De Witt S. Morgan, superintendent of Indianapolis public schools, recently said that the young people 18 to 30 years old, are the best generation of youths any civilization ever produced. That they are stronger physically, they think faster, and can work longer.

That would comfort some who thought following the first World War that the young people were running wild. In those days many hands were held up in horror, because of the alleged excesses of the so-called flappers of both sexes. Some people seemed to feel the devil had many of them in his clutches.

Modern youth has believed in peace, and wished no part in war. It saw ahead a happy land and expected to produce comfort and welfare by earnest work and education. Then came the grisly spectre of war, and millions of them had to forget that dream for a good long time.

The young wives and sweethearts left at home, who can say enough of their vigor and courage? There may be lumps of lead about the heart, but they greet the world with a smile.

The country has asked for devotion in a supreme crisis. Youth rushes to defend us and the flag with an energy that wins imperishable glory.

WHAT'S MORE SECRET THAN A SECRET WEAPON?

Yes, folks, there are secrets more secret than a secret weapon—and, secretly speaking, the secrets aren't secret at all to the enemy. Which, secretly, makes it surprising.

Dr. Robert Bowie of the research staff of Sylvania Electric Products Inc., radio tube and lighting manufacturers, explains the mystery. When the enemy has a secret weapon and we discover that secret, well—that discovery is a super-secret.

Here's why. If the enemy knows that we learned about their secret weapons they will immediately use it to the limit all at once so as to get the most out of it before we develop counter-measures. If, however, they think they still have us baffled, they may use the new weapon sparingly, waiting to increase production and in the meantime we will have a chance to develop antidotes and counter-weapons that will nullify the secret weapon when they really start to try to use it to the maximum.

The moral is—don't tell the other ball team you know their signals or they'll change them and cross you up.

STANDING IN LINE

Since the war came on, many persons have had the experience of standing in line, while waiting to buy something. New scarcities may develop, and more standing in line may be necessary. People often have that experience at Christmas or various rush times.

The American people do not enjoy standing in line. They want things right off quick. Some of them get cross and say unpleasant things, if the waiting is at all prolonged.

Don't expect 100 per cent service in wartime in Warren or anywhere else. If you feel annoyed because you have to wait, consider that you are doing your standing in a comfortable building, surrounded by pleasant and friendly people. That is better than digging into a foxhole on the battlefield, where an enemy may pepper you with a machine gun.

Instead of audible or internal cursing, say a pleasant word to the folks near you. Exchange a joke or two. Then the time so spent will seem short. And you may make a new friend.

It is with a feeling of since regret we chronicle the resignation of Fire Chief Douglas Kropf today. Coming here ten years ago when Warren had what was considered only a mediocre fire fighting organization, "Doug", through experience and far-sightedness, combined with a thorough knowledge of the essentials of equipping and heading up of such an important unit, has given the borough a fire department which rates second to none in the entire state for a town the size of Warren. This is reflected in the reduced fire insurance rates now levied for properties in the borough.

The news of the death of Dr. Arthur E. Bestor, head of the Chautauqua Institution for almost thirty years, saddens hundreds of thousands of Americans from one end of the country to the other, including scores of warm friends and admirers in Warren. As the Jamestown Post-Journal reminds, "President Bestor had built so firmly upon such strong foundation, that his work will go on. Chautauqua Institution is in itself a splendid monument to his memory."

All Around the World

Washington in Wartime

JACK STINNETT

WASHINGTON—A few Congressmen are beginning to realize just how much TNT they have set fuse to in quibbling over legislation affecting the armed services.

Some of these few have been generous enough to discuss the situation quite frankly with me in the last few days and make available their letter files which was what I asked for in the first place.

From a lad who served 11 months as flight engineer and gunner in a heavy bomber in the Eighth Air Force: "During my tour of operations, I saw 60 per cent of my original squadron go down. For the heavy bombers of the Eighth, that is a low percentage."

"On my return to the United States I was, to put it mildly, shocked. On every side I heard complaining. There were no tires, no gasoline, food was rationed. Then, on top of all these complaints, labor started striking again."

The lad explained that he understood the necessity for free speech, free enterprise, etc., but "I would like to remind official Washington that the war will soon end. Close to 10,000,000 men will return to civilian life—and a voting status. At that time, if not before, we will know who is at the bottom of the confusing medley that is the labor situation today."

"I am writing not for myself, but for every soldier who left home for an indefinite period in hell. We are determined that the United States shall retain her position as the most respected nation on earth."

I have quoted this soldier at length, because he sums up the situation very beautifully.

OTHERS follow in this vein: "I am a lieutenant in the Navy; congratulations on your fight for subsidies."

"I am a second lieutenant in infantry. I recently made a trip to a number of Army posts and as I went from place to place I inquired of my friends and others I met about voting. They unanimously agreed that cutting away the red tape and freeing the soldier vote was not only desirable but urgent."

"I hope you are not a member of one of those subcommittees of a subcommittee that has to report to a subcommittee, because I would like an answer to this question and I don't want to wait six months to get it. Shall I tell my brothers on the Salerno front about the unwanted battalion?"

"The writer was one of 110 men returned to this country in October under the provisions of the discharge act. We were in a combat area in the North African theater. . . . There is absolutely no assurance now of future security in any job. In one case, the soldier could not be rehired because of 'seasonal layoffs.' So as the soldiers say, 'It commences already.'"

THIS could go on forever. Except for a comparatively few letters about the high cost of living and the failure of wages to keep up with it there are very few messages on the other side of the picture.

They point to the fact that a lot of Congressmen and other elective officials are in for a fall when the boys come marching home, unless they get on the right side of the growing windstorm now. Some already are waking up to the fact that when the boys return, they are going to be hoping mad (right or wrong) unless congress acts soon on many measures.

Hollywood Gossip

By ROBBIN COONS

HOLLYWOOD -- The film industry of good neighbor Mexico is booming and going places—especially places in the Latin American market.

That's the word Ramon Resch brought from Mexico City when he came to dicker with Hollywood about the services of Cantinflas, the droll Mexican comic who is spearheading the Mexican "invasion" of the Spanish-speaking film marts. (Asking price for Cantinflas is \$750,000 per picture.)

Ramon Resch is Mexico City's theatrical agent—the only one he says. His brothers Santiago and Manuel each lead film companies there, Cantinflas being associated with Santiago in Posal films, Manuel running Promessa.

AND here's the picture Ramon Resch gives: There are now 25 film producing companies in Mexico, all using Mexico City's two studios, but a third is building. (Hollywood has 17 active lots, not counting various studio ranches.) A record number of 75 feature films was produced in Mexico last year.

"The Mexican industry," he says, "is not interested in Hollywood capital. We have Mexican money for our pictures. What we have lacked always was good directors and technicians, and technical equipment. Through the office of the coordinator of inter-

American affairs, we are getting some equipment from Hollywood now. And a few Hollywood directors are coming to us—Dudley Murphy and Norman Foster for examples."

Norman Foster's big success there last year was "Santa," starring Esther Fernandez, a beauty once under contract to Paramount here. Foster is staying there to make six more films. Another Mexican hit was "Yolanda," starring the ballerina Irini Baranova, who had been briefly under contract at M-G-M where her talents were submerged in the horse picture, "Florina." A former Hollywood extra, Jorge Negrete, is now Mexico's leading juvenile star. Dolores Del Rio and Lupe Velez, established in Hollywood, have made new successes in Mexican films.

TOPS of them all, in Latin American box-offices, is Cantinflas—30-year old Mario Marino who clowned on the streets and under tents until discovered for pictures. (His pantomime, subtle satire and broad slapstick in "The Three Musketeers," "Romero and Juliet," etc., etc., are funny even if you don't understand Spanish.) Cantinflas says Resch would be interested in coming to Hollywood—like most Mexican stars—mainly for its technical facilities. With taxes here, the acting gobs can make more money in their own bailiwicks.

As also stated that building s had been granted the R. ris Con-pany for alterations r buildings in Pennsylvania

avenue in the amount of \$300 and to Louis Segal for alterations in the building he owns on Pennsylvania avenue in the amount of \$2500.

A notice from the Department of Labor and Industry was received by which the Central Fire Station must be altered to allow for a second outlet from the second floor of the building. This was reported to have been adjusted by Fire Chief Kropf, prior to his resignation. However the matter will be looked into as the order expires on February 16.

During the past month the city scales turned over \$25.15 to the city treasury and the airport produced \$29.97 for the general fund. City Solicitor Sidney Blackman reported that it was expected that a price could soon be secured on the desired site for the sewage disposal works on the Biddle property.

The bonds of the city engineer and the city clerk were presented and approved.

Rental of city machinery came in for discussion. By resolution the rentals of the various machines are set and a 10% addition is made to the bill for book-keeping and overhead. In order to make charges uniform it was decided to refer the matter to a committee composed of Karlson, DeFrees and Rice.

A report on the Firemen's Relief was also received and it showed the fund now has \$76,568.11 on hand after various expenses had been met, donations of \$500 to each of the volunteer companies in the city and payments to firemen. The report aroused much discussion.

A letter was also read from President Forest Waite in which he expressed his appreciation of being elected while away and he also urged that the new councilmen take an interest in the work of the council.

New Store Is Specializing In Babes' Wear

Official opening on Wednesday of Bert Christensen's new shop for infants' and children's wear, located in the former Cook Boot Shop in the Columbia Theatre building, marks realization of a dream that has been in the planning for several years.

All mothers in the community, as well as regular friends of the Byrt Shop, are cordially invited to call during regular store hours tomorrow and become acquainted with this new and modern addition to Warren's shopping section. Mary Foley is to be in charge with Beatrice Trax as her assistant.

Remodeling has turned the shop into an entirely different place and a decor of delicate pink and baby blue provides just the right background for attractive curtains, fluorescent lighting and a parade of rabbits and ducks that lead to the figure of a stork on the ledge above "Babyland". Mirrored alcoves on side and back provide "trying on" facilities and cases and cupboards along the walls will contain all types of baby's needs and wares for the little girl from four to 14 years.

The youthful atmosphere begins right at the entrance and displays window, where venetian blinds, little white picket fence, climbing vines and dainty sprays of pink rosebuds extend an invitation to investigate further.

Scandia Mission's Aid Has Meeting

(Special to Times-Mirror)

On Thursday afternoon, February 3, the Ladies' Aid Society of Scandia Mission Covenant church met at the church for its regular monthly meeting. This was called to order at two o'clock by the president, Mrs. Alice Swanson, and was opened by group singing, followed by responsive reading and prayer by Rev. K. L. Berlin.

Two poems, "The Snowflakes" in Swedish and "Windblown Chaff" in English, were read by the president, followed by a vocal solo with guitar accompaniment by Rev. Berlin. Piano solo by Mrs. Frances Anderson. After which an impressive message was brought by the pastor from Philippians 4-13, followed by group singing. Minutes of the last meeting read and approved. A letter was read from Pvt. Charles Gates in appreciation recognition of the Christmas box received by him from the local organization. Mrs. Axel Anderson extended an invitation to the Ladies' Aid to meet at her home for the next meeting which will be held Thursday, Mar. 2, and to which a cordial invitation is extended to any interested persons to attend. The business meeting was then closed by another vocal solo with guitar accompaniment and benediction by Rev. Berlin, after which delicious refreshments were served with Mrs. Berlin as hostess.

The Scandia Mission church will celebrate its 60th anniversary in July, 1944, and since the organization of the church, the Ladies' Aid has been one of its most important factors, and although many times the membership has been small the ever "faithful few" have not lost courage and deserve much credit for the good work that they have accomplished. Two important changes in the church schedule was published in the latest issue of the "Church Bulletin" edited by Rev. Berlin, as follows: Sunday school to be held at 2:30 Sunday afternoons instead of in the morning as formerly, and on the first and third Sundays of the month, church services will immediately follow the Sunday school session in place of being held in the evening. Two other important bulletin announcements were those of the weekly prayer meetings as follows: On Thursday evening, February 10 at the home of Mr. and Mrs. Axel Anderson, Thursday evening, February 24, at the home of Mr. and Mrs. Anthony Peterson.

Casts Made Known For High School's Evening of Plays on February 18th

Rehearsals are progressing favorably for the "Evening of Plays" presented annually by the High School Dramatic Club and a quick survey shows that one may expect laughs, thrills, a bit of patriotism and a view of the medical side of life in the varied program which the evening's bill will offer to the public on Friday evening, February 18.

This performance, with a variety of one-act plays, has proved very popular since it affords several types of entertainment, as well as including in the casts a large number of ambitious students. As in previous seasons, there are no reserved seats.

The opening number, "Guess Again", is a mystery-comedy to be given by Gretchen Hilburn, Mary Roos, Gloria Koebley, Joanne Wendelboe, Barbara Boynton and Eleanor Riggs.

Richard Randall, Richard Korb, Charles Brown, Patty Kolpien, Betty Jane Anderson, Juliana Hanold and Marilyn Samuelson are the cast members for the comedy "Paul Loses the Ration Books".

The farce, "The Hummingbird Hiccups", includes in its cast Gloria Hausman, Janet Cannon, Joan Benigni, Juanita Farr, Ed Peterson, Marjorie Larson, John Borne and Don Norris.

Dragons Must Win To Hold Lead in District; Beaty Gym at 8:00 P M

The general public has tonight's gap closed to three points at the half period, 21 to 18. The Dragons managed to offset this rally enough to win by a good margin, but they were threatened in every minute until closing seconds of the final period when they pulled out and won 44 to 29.

Titusville can well shatter the Blue and White dream of District conquest when they tangle tonight and if they hit the paces like they did against Warren in the second period you may see the Dragons slip down the ropes out of even a fighting chance, because their next three games include tonight's, Oil City and Franklin, everying tough and the last two waiting for the Dragons to slip so they can take over the first slot.

Forge and O'Connors Win In "Y" League Monday Evening

Forge	3	0	1.000
Bakers	1	1	.500
Struthers	0	2	.000
Blomquist	0	3	.000

Both games in the "Y" basketball proved to be won by one-sided scores last evening on the local YMCA court. In the first game Forge ran wild over Blomquist to the tune of 73-51. Dean Nelson took the scoring honors with 25 points. Weidert was the big gun for the North Warrenites getting 15.

The second game was even worse than the first from the scoring angle. O'Connors started out strong and never let up until the final whistle blew, which disclosed that they had defeated Struthers 93 to 34. Otto of O'Connors threw them through the ring for a total of 25 points, while Peterson took the count for Struthers with 24.

This coming Thursday will see two games being played at the "Y". These were originally scheduled for last Saturday but were postponed. In the opener the local fans will see the Bakers' combine stacking up against Struthers. The second game brings Forge and O'Connors together again for their first meeting of the second half. Indications are that this will be a better game than the one staged last Thursday evening and both teams will be primed for the battle. The opener starts at 7:00 and the other at 8:00 p. m.

Warren Soldier Is First String Guard At Training Center

According to a special dispatch just received from the AAF technical training command headquarters in St. Louis, Mo., Cpl. Quentin Holt, of Warren, has been selected to play first string guard on the center's cage squad.

The AAF team was recently entered in the St. Louis Military Recreational Association basketball tournament and is slated to meet navy, coast guard and other army teams in that vicinity.

Cpl. Holt, who is on duty with the 13th statistical control unit, has been in service since May 4, 1943, and was formerly located at Camp Lee, Va., Fort Washington, Md., and Knollwood Field, N. C.

Sixth Victory Is Registered By M'Spadden

By FRANK PITMAN
Phoenix, Ariz., Feb. 8—(P)—Harold (Jug) McSpadden, the Philadelphia who weighed his driving clubs and immediately became the top money winner in pro golf ranks, was Texas bound today after his sixth victory in the last nine major tournaments.

The latest triumph, worth a \$1,000 War Bond, came in the Phoenix Open where McSpadden won his first 18-hole playoff. Byron Nelson of Toledo, former National Open and Professional Golf Association champion, was runner up. He received a \$750 bond.

McSpadden carded a one-under par 70 yesterday to edge Nelson by two strokes.

Nelson and McSpadden toured the outgoing nine yesterday in 35, one under par. The Philadelphia played the first six holes of the incoming nine in par, while Nelson was taking bogey on the 11th and 15th. McSpadden went one over par on the 16th to lose a stroke of his lead, but he regained it on the 17th for a birdie. They parred the 18th.

The pro golfers were headed today for San Antonio, where the Texas Open begins Thursday.

Buffalo Man To Run Club At Jamestown

Buffalo, N. Y., Feb. 8—(P)—Harry Bisgeier of Buffalo, owner of the Jamestown baseball club in the Class D Pony League, will operate the franchise independently of the St. Louis Cardinals, he has announced.

At a meeting in New York, St. Louis voluntarily withdrew the Hamilton franchise which was used by the Jamestown Falcons last season. The Hamilton franchise will be "frozen" for the duration, it was reported at the conference. Bisgeier, recently discharged from the army, regained the franchise which he relinquished to the Cardinals.

Application of Bradford and Erie for admittance into the Class D circuit are scheduled to be made at a meeting here Thursday. The Pony League has six teams at present.

It is expected the Jamestown franchise will formally be declared "unfrozen," at the meeting Thursday.

Armstrong Knocks Out His Partner

Washington, Feb. 8—(P)—Hammerin' Henry Armstrong was one notch up today in his third comeback attempt, winner by a knockout over Lew Hanbury, of Washington, his erstwhile sparring partner.

Armstrong, onetime holder of three world boxing titles who went in weighing 139, finished off the 137-pound, 21-year-old Hanbury in one minute and ten seconds of the third round in a scheduled ten-round bout. Hank opened the first round with a slugging attack that staggered Hanbury and in the second the Washington fighter was backed into a corner and took a terrific belting of right hooks and left jabs from the more experienced Los Angeles negro.

In the third, Hanbury was knocked into the ropes, went down on one knee and was counted out by Referee Eddie Lafond, while some of the 9,000 fight fans, who thought Hanbury had gotten a fast count, booed the decision.

Although "lb." stands for pound, there is neither a "l" or a "b" in the word. The abbreviation from the Latin "libra," a unit slightly heavier than our pound.

(From Page One)
granted upon recommendation of
the family physician.

Weekly use of the Lacy school
building was granted to Boy
Scouts; also use of Home street
building for a weekly meeting of
a Junior Red Cross unit to be or-
ganized. The Warren Rotary Club
was given permission to rent the
high school auditorium for four
lectures in March at a weekly fee
of \$22.50 and use of Beaty gym
was granted the student advisory
council for a dance to follow the
basketball festival on Friday night
of this week.

Mrs. Clara Yates Cummins, wife
of Dr. Frank Cummins, of North
Warren, was elected teacher on a
3-year term contract to continue
the high school history classes
taught by James Wilson, on mili-
tary leave.

The school district was notified
that the state department has
credited to its account the sum of
\$1,173.48 covering tuition of 14
pupils from outside the school
district who are now at the Hoffman
Home. It was shown, also, the
district has received the sum of
\$810 covering the government's
share in the lunch program for
December.

Other reports asked retention of
the present standing committees
for another year and showed an
increase in attendance figures
from 92 per cent in December to
94 per cent for January.

Committees are as follows:
Building and repairs, M. G. Keller,
R. W. Mackay, R. E. Brasington;
finance, Mackay, Brasington and
N. D. Pater; health, sanitation
and public grounds, Mohr, Pater-
son, Brasington, W. M. Cashman;
schools, Brasington, Cashman, Kel-
ler and Mohr; textbooks and sup-
plies, Paterson, Keller, Mohr; sink-
ing fund, W. F. Clinger, Mackay,
Mohr; teachers, entire board.

Warren Boy Discovers

Rare Print of Lincoln
Meadville, Feb. 8.—(P)—A rare
print of a photograph of Abraham
Lincoln, believed to have been
taken in 1860, has been discovered
in the Ida M. Tarbell collection at
Allegheny College. Philip M.
Benjamin, director of the Reis Li-
brary at the college, said it anted-
ates the four celebrated Mathew
Brady profiles of Lincoln. Alle-
gheny's collection of Lincolniana
is a gift of Miss Tarbell, famed
biographer who died recently at
Bridgeport, Conn.

Organization And Davis

May Get Together
(From Page One)
Washington, Feb. 8.—(P)—Sen-
ator James J. Davis (R-Pa.) an-
nounced his candidacy today for
re-election with a statement say-
ing "I am willing" to make the
race.

Davis issued a statement—la-
belled "announcing his candidacy for
re-election to the United States
senate"—after a conversation with
Governor Edward Martin of Penn-
sylvania.

Associates of the senator said
that Governor Martin would issue
a statement in Pennsylvania this
afternoon and that Davis would
make a similar statement tomorrow
morning.

MEN AND WOMEN IN SERVICE

Pvt. George D. Templeton left
Sunday evening for Camp Meade,
Md., after a six-day furlough with
his parents, Mr. and Mrs. George
Templeton, 10 Buchanan street.

William Carlino, seaman second
class, who has been visiting his
parents and friends during the
past few days, left last evening for
Oiler City, to visit an uncle before
continuing on to the Great Lakes
Naval Training Station.

Lt. and Mrs. G. Theodore Steid-
el of Bettisville, were weekend
guests at the home of Dr. and
Mrs. Frank Cummings, at the
Warren State Hospital. Lt. Cum-
mings recently returned from Al-
aska where he was on duty as a
member of the Naval Reserves. He
will be remembered as having
formerly been maintenance en-
gineer for the State Highway De-
partment with headquarters in
Franklin.

Pvt. Howard L. Clark has com-
pleted his initial training with the
Marines at Parris Island, S. C.,
and is home on furlough before re-
porting to the Marine sea school
at Portsmouth, Va. Pvt. Clark
was circulation manager of the
Times-Mirror before entering ser-
vice.

Herman Seth, Seaman 1/c arrived
home from overseas Friday
morning to spend a four day leave
with his parents, Mr. and Mrs.
J. F. Seth, of Clarendon.

Word has been received that
Richard M. Thompson, a hospital
apprentice first class and son of
Mr. and Mrs. Blair Thompson, took
part in the landing on Bougainville
Island at Empress Augusta Bay.

Pvt. Leigh Hall, who is station-
ed at Maynard, Mass., is in Warren
on a short furlough with relatives
and friends.

A special dispatch from Rich-
mond, Va., naval air station re-
ports that Edward "Eddie" Stec,
son of Mr. and Mrs. Izzy Stec,
of Route 1, Spring Creek, has been
advanced in rating to boatswain's
mate second class. Stec, who
starred as a baseball player prior
to his enlistment in the navy in
January, 1942, attended Tubbs
School in Spring Creek and was
employed as a planer by the Ir-
win Lumber Company before en-
listing.

Among the hundreds of WACS
who daily handle confidential
military information are seven
women soldiers assigned to the
special orders department at the
Third WAC Training Center. One
of these trusted women is Pfc.
Kathryn Gagner, of Warren.

Mr. and Mrs. Bert Mesler, 902
Fourth avenue, have received
word that their son Laurence, sea-
man 2nd class, is now located at
San Diego, Calif.

Pin-up picture for the man who "can't afford" to buy an extra war bond...

YOU'VE HEARD people say: "I can't afford to buy an extra War Bond." Perhaps you've said it yourself... without realizing what a ridiculous thing it is to say to men who are dying.

Yet it is ridiculous, when you think about it. Because today, with national income at an all-time record high... with people making more money than ever before... with less and less of things to spend money for... practically every one of us has *extra* dollars in his pocket.

The very *least* that you can do is to buy an extra \$100 War Bond...

above and beyond the Bonds you are now buying or had planned to buy. In fact, if you take stock of your resources and check your expenditures, you will probably find that you can buy an *extra* \$200... or \$300... or even \$500 worth of War Bonds.

Sounds like more than you "can afford"? Well, young soldiers can't afford to die, either... yet they do it when called upon. So is it too much to ask of us that we invest more of our money in War Bonds... the best investment in the world today? Is that too much to ask?
